

ALEVTINA AND TAMARA

ART BOOK PRESENTATION AND ART EXHIBITION BY SKOLZKI

The event entitled "Alevtina and Tamara" is the first presentation and showcase of graphic novel created by Skolzki.

This artifact book about Alevtina and Tamara is a collection of noir fairytales decorated with surrealistic illustrations and calligraphic textual elements that offers a special look at life's trials and inner formation. Created over a ten-year period by the author exploring his inner worlds and the depths of his personality through metaphors and symbols.

The exhibition is complimented by original paintings, graphics, sculptures and edition of prints.

Skolzki is Cyprus based artist. In his graphics and painting practice Skolzki is driven by mixing the subconscious and imaginary worlds using metaphorical visual language. He was working as an art director and illustrator in the game development industry for last 15 years.
